SUCCESSFUL FUNDRAISER

Our Fall Fundraiser through 360 Degree Fundraising was a big success with over \$23,000 in product sold by our fantastic students and supporters. We had 48 students sell over 15 items and make it to the Limo / Pizza Lunch Reward on November 5th and they had a great time! This will net us just over \$9,500 for our budget, higher than we anticipated.

With this added fund we NEED your membership input. Should this money be spent on increased grants and funds to teachers? More events for students and the community? Come to the next **General Meeting** on **Thursday, November 19th** and bring your ideas and opinions, this is your PTSA money!

Volunteers Make a Difference

We have had a great turn out in volunteers at the events in September and October but we really do want and need every persons support. At this time we still do not have official Committee Chairs for MultiCulture Night, Staff Appreciation Week, Box Tops/Labels for Education Coordinator or Website & Newsletter Editor. There are only a few of us taking on many roles this year and it would be great to have someone come in to learn and grow with our group. Come out to the **General Meeting** and jump in and add your ideas, most of the offices only take a few hours each month and are great to put on a resume.
